

Believe Engage Aspire Nurture your child's FIELD of dreams

10th April 2020

Dear Parents and Carers,

I hope this letter finds you and your family well - it already seems a long time since we were last together at school. We are trying to make sure we keep in touch with you as much as possible to make sure you are all coping well during lockdown and are able to support your child's learning at home.

Learning At Home

Your child's class teacher will be continuing to set tasks on Purple Mash and Mathletics. Check out the 'Home Learning' tab on the school's website as there are lots of activities on there you can try at home. Thank you so much for all the hard work you are putting in to support your child's learning. Teachers are enjoying seeing all the work come through on Purple Mash and we particularly enjoy seeing the photos of activities you are doing at home.

Contacting You

A member of our teaching or well-being team will be checking in on you regularly to see how you are getting on and if there is anything we can do to help with your child's learning or in any other way.
