## Forthcoming school events

Dear Parents/Carers

In light of the Government guidance to keep schools open, we are continually reviewing our forthcoming events and are trying to minimise any risks on a case by case basis.

We intend to function normally in relation to the children's day to day educational provision but some of our broader community events will be rescheduled if we feel this is necessary. You will be kept informed of any changes to published events in the school calendar with as much notice as is possible. Any changes will be communicated via letter and our school website where you can find all our updated information regarding Covid-19.

For those events which still are taking place, we have reinforced some basic hygiene principles and introduced additional measures, so please do not take offence if you are asked to wash your hands when visiting us. We would also remind visitors of the hygiene message, "catch it, bin it, kill it" in the event of coughing and sneezing. These restrictions are in place to protect our school community.

If you have any questions, then please come and speak to myself or a member of the senior leadership team.

Yours Sincerely,

Samantha Eathorne  
Associate Principal
