

Unit 8

Subtraction within 20

In this unit we will ...

- ⚡ Subtract tens and ones
- ⚡ Learn how to cross a 10 when subtracting
- ⚡ Compare additions and subtractions
- ⚡ Solve word and picture problems

We will need a ten frame again. Can you remember how to use it to help you find the answer to $15 - 3$?

$$15 - 3 = \square$$

We will need some maths words. Have you seen all of these before?

subtract **take away**

find the difference

how many are left?

tens **ones** **number bonds**

part-whole

We can also use this

and this

to help us. What is $13 - 3$?

Power Up

Complete using $<$, $>$ or $=$.

Complete the number sentences using $<$, $>$ or $=$.

$15 \bigcirc 14$

$18 \bigcirc 19$

$14 \bigcirc 15$

$19 \bigcirc 18$

Compare some other pairs of numbers and write the number sentences.

Subtracting ones

Discover

- 1 a) Mia wants to work out how many  are left.

She works out $15 - 3$.

What does the 15 stand for?

What does the 3 stand for?

Why is it a subtraction?

- b) How many  are left?

Use ten frames

Think together

Use 1 ● for each .

1 There are 16  on the tree.

5  fall to the ground.

How many  are there left in the tree?

$$16 - 5 = \square$$

There are \square  left in the tree.

2 a) Work out $19 - 6$.

$$19 - 6 = \square$$

b) Work out $16 - 4$.

$$16 - 4 = \square$$

Use ten frames

- 3 Work out the missing numbers in these number sentences.

a) $7 - 5 = \square$

$17 - 5 = \square$

b) $8 - 3 = \square$

$\square - 3 = 15$

c) $7 - \square = 0$

$\square - 7 = 10$

I think I can use $7 - 5$ to help me answer $17 - 5$. I wonder what does not change in $17 - 5$.

When is the answer to a question 0?

CHALLENGE

1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20
---	---	---	---	---	---	---	---	---	----	----	----	----	----	----	----	----	----	----	----

Fluency

write in books

Subtracting ones

- 1 Hanna has 15 . She drinks 4 .

How many  are left?

$$\square - \square = \square$$

There are  left.

- 2 Ned has 18 . He eats 5 .

How many  are left?

$$\square - \square = \square$$

There are  left.
