LO: To plan a narrative

When we plan, we need to think about whether what we are going to describe is positive or negative.

Think about:

Is the setting beautiful or ugly looking?

Would the smells be good or bad?

Are the sounds pleasant or unpleasant?

Are the characters nice or nasty?

Write 2 sentences that you could use in your narrative to answer each of these questions

## LO: To plan a narrative

When we know if a sentence has a positive or negative focus, we can look at what specific vocabulary we can use to describe this. Draw this planning grid into your books. Look back at the sentence stacking you did last week and decide where each of those sentences will fit into your plan and then add to your plan ready to write your story tomorrow.
