

Year 4 Topic

Thursday

So far this term, we've been learning about the development and impact of electricity and technology in history, and about North America in geography.

This week, your task in topic is to showcase what you have learnt in a double page information sheet.

Year 4 Topic Thursday

We have created information pages before in year 4, and below are some of the writing features you should aim to

include:

- Facts
- Main heading
- Sub-headings
- Third person
- Pictures and captions

Year 4 Topic

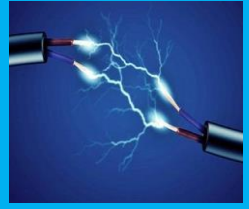

Thursday

In yesterday's lesson, you will have set up your double page spread by completing the background and planning where each of your information boxes will go. Your task today will be to write up your chosen bits of information.

Year 4 Topic

Thursday

Aim to include the most important information you've learnt this term about technology and North America, as well as some interesting facts in their own boxes.

Make sure you know the spellings of all the key vocabulary you plan to use in your information page, and use neat, cursive handwriting.

Year 4 Topic Thursday

Good luck, and we look forward to seeing your amazing information pages!
