

Unit 9

Numbers to 50

In this unit we will ...

- ⚡ Count up to 50
- ⚡ Compare numbers to 50
- ⚡ Order numbers
- ⚡ Count in 2s and 5s
- ⚡ Solve word and picture problems

We can use a number line to help us order and compare numbers. Which number is larger, 12 or 21?

We will need some maths words and signs. Do you remember these?

tens ones
 compare order
 less than (<) greater than (>)

We can use different things to show the value of a number. We can use ,  or . What number is shown here?

Power Up

Find the odd one out.

Are there any other ways to show the same calculation?

Representing numbers to 50

Discover

i a) How many different ways can you show 34?

Use the objects on the table.

b) Complete the sentences to show how 34 is made.

34 = tens ones

34 = 30 and

Use cubes/ lego if you have them at home.

Think together

1 Copy and complete each .

2 Show this  using different objects.

How many different objects can you use?
