

Remember that we are going to write some instructions for making these fruit skewers

Success Criteria

- Write steps for method (with time openers and imperative verbs)
- Write adverbs/adverbial phrases

Challenge

Try to vary your punctuation for the adverbs/adverbial phrases with commas, brackets or dashes.

LO To form effective sentences for instructions

Today we are going to put our ideas into great sentences in readiness for writing some instructions. Refer back to your lists from **chunk 1 and 2**.

Sentence chunk 4 – steps for method : write this subheading in your books.

LO To form effective sentences for instructions

time opener

imperative verb

Teacher model:

- First, soak your fruit in a bowl of lemon juice and water.
- Next, you are ready to organise your fruit into sizes.
- After that, begin to slide your fruit onto your first skewer.

LO To form effective sentences for instructions

Underneath your subheading, write your own ideas for the steps to making rainbow fruit skewers.

Make sure you start with a time opener and an imperative verb!

Sentence chunk 5 – adverbs and adverbial phrases. Write this subheading in your books.

LO To form effective sentences for instructions

adverbs and adverbial phrases

Teacher model:

- First, soak your fruit in a bowl of lemon juice and water (about an hour should be long enough).
- Next, you are ready to organise your fruit into sizes- try to have different colours next to each other.
- After that, carefully begin to slide your fruit onto your first skewer.

LO To form effective sentences for instructions

Underneath your subheading, now write your own sentences for the method to rainbow fruit skewers with adverbs and adverbial phrases in too.
