# L.O. to understand that people have different preferences.

The survey also found out that the best loved condiments to enjoy with sandwiches were pickle at 40 per cent, ketchup with 37 per cent and mayonnaise at 55 per cent. Plus that when it comes to preparing the perfect sandwich, 'white, medium sliced bread with the crusts left on and cut into squares', is the top choice.

Using the 6 fillings below ask as many people as you can to choose their favourite sandwich filling from the list.

Show your results as a tally chart and then a bar graph.
